

How to borrow and transfer eBooks

1. On a computer, open a web browser to: <http://maryland.lib.overdrive.com/>

2. In the upper right-hand corner of the screen, click Sign In and enter the required information: library's name, library card number, and maybe your PIN.

3. Find a title to borrow by running a search or clicking on something that looks interesting.

Note: select the ePUB format!

4. After you select a title, click  to check it out.

5. Select a format (ePUB) from the **Download** drop-down menu, then **confirm and download**. The title will open in Adobe Digital Editions.

6. Connect your Nook to the computer using the Nook's USB cable.

7. In Adobe Digital Editions, make sure you're in **Library View**. Your Nook should display in the **My Devices** column on the left side of the screen.

8. Click and drag an eBook over to your device. Disconnect, then start reading!
